Activate Your Japanese!

Content Library

JF Standard for Japanese-Language Education

Mainly designed for learners that aim to advance their Japanese language ability from JF Standard A2 Level (able to hold basic conversations) to B1 Level (able to communicate in both everyday situations and work situations).

“Hikidasu Nihongo Content Library” is a website designed to support Japanese-language teachers and learners to further utilize “Hikidasu Nihongo: Activate Your Japanese!” (co-produced by the Japan Foundation and NHK Educational) as a teaching and learning material.

Take your
communication skills
one step further!
